

Bavaria, biking through Europe's history...

€ 899,-

Bamberg – Regensburg

This trip is also offered in the opposite direction!
(The program is subject to change without notice)

Saturday: Bamberg

The crew of La Belle Fleur welcomes you on board around 1P.M., where you find the ship in the cruise port of Bamberg. Bamberg a city of world-class, with its big baroque buildings, its cosy traditional German houses and its small alleys, which surprise you every time. It is here, where you are going to test your bike in the green sites of the city. Afterwards you will explore the old city center with our tourguide.

Sunday: Bamberg – Erlangen (cycling appr. 45km)

After breakfast we start our tour through the canal valley to Hausen. From here we leave the canal and bike through the fields of the Regnitz valley, where we bike a part of one of Germany's most beautiful bike routes "the Regnitz-Radweg".

During the day you will have all the time to enjoy one of the local "Biergartens" along the way, for a piece of pie or a bier.

Also you will discover "the bier city of Germany" Erlangen, where we will spend the night.

Monday: Erlangen - Nürnberg- Hilpoltstein (cycling appr. 45km)

This morning the captain will start the engine early, to bring us to Nürnberg, a city with a lot of possibilities. You can wander around in the medieval part of town or visit the remains of the second world war, including the buildings of the Nurnberger trails. After visiting Nürnberg you will cycle along one of the oldest canals in the world. The original Main – Danube canal from King Ludwig, with its 101 locks and beautiful sites.

In the afternoon you leave the old canal and bike through the national park Rothsee to Hilpoltstein. Where you can enjoy the Bavarian landscape from the sundeck.

Tuesday: Hilpoltstein – Beilngries (cycling appr. 41km)

This day's tour brings you to Freystadt, where you can visit the town center and of course the pilgrim church of "Maria-Hilf-Wallfahrtskirche", a baroque monument in the middle of the fields.

In the afternoon you continue your tour to Beilngries, with its historical city center.

Wednesday: Beilngries – Riedenburg (cycling appr. 40km)

Today another national park is on the agenda, the "Altmühltal", here you bike along the valley and numerous times you will see remains of the old King Ludwig canal, that used to flow through this valley as well.

Thursday: Riedenburg – Regensburg

(cycling appr. 48km)

The last bike day is featuring the final part of the Main Danube bike path, that will bring us to Kelheim, a small city that is situated at the crossing of the canal and the always blue Danube river, to the medieval town of Regensburg.

We will enter this old and rich town of Regensburg through green fields and beautiful sites.
